Dear Parent/Guardian,

On Wednesday 13th December 2017, Year 4 will be visiting Chester Zoo as part of their Living Things and Animals including Humans science topics. The visit will compliment knowledge gained in school, as they will be able to study specific species of animal up close and personal, whilst having the opportunity to develop their knowledge and insight through a scientific workshop provided by the zoo itself.

We will be leaving school at 9.15am prompt and aim to return school for 3.10pm; however we will keep you posted in terms of traffic delays on the return journey via ClassDojo and the school office. Children are required to provide a packed lunch in a disposable bag.

Likewise, as it will be the depths of winter children are advised to wear suitable clothing. They will be in full school uniform. Nearer the time we will assess the weather forecast and potentially provide further suggestions. We are seeking a donation of £12 per pupil to cover transport and workshop costs.

It is sure to be a fabulous day, where we can take learning outside the classroom and hopefully walk on the wild side (even if we do need our wellies!). If you have any queries, please feel free to contact the Year 4 team and we will be happy to assist you.

Sincerely

Mr Court
