Thursday, 24<sup>th</sup> September 2020

Dear Parents/ Carers,

Due to further local and national restrictions and the infection rate for COVID continuing to rise, we are constantly reviewing our procedures in school. We aim to reduce the contact that children, staff and families have as much as possible in order to minimise the chances of spreading COVID amongst the school community.

Because we know that many of our parents/ carers work, we have tried to maintain our Breakfast Club and After School Club provision, even though many schools have stopped providing this service. After our latest review, we will still offer wrap around care but we have taken the decision for After School Club to finish at 4.30pm rather than 5.30pm. The cost will also be reduced:

Nursery and Reception	£4.00 per session
Y1-Y6	£3.00 per session

I understand that this may cause some of you some inconvenience but please rest assured, the decisions we make are always with the safety of our whole school community in mind.

Please can you return the form below to state whether you still wish to use our After School service from Monday 28<sup>th</sup> September and tick which sessions you will require. Please remember, we are no longer taking ad hoc bookings. Once we feel able to offer longer sessions again, I will contact you.

Kind regards,

Mrs Forrest
