Friday, 2nd October

Good afternoon everyone,

It has been so nice to have all of our year groups back from isolation this week- hopefully, it will stay that way!

Home Learning

If your child has to remain at home because they are awaiting a test result or have had contact with a positive case, please ensure they access the home learning timetable for their year group on the website. The activities are matched to their year group's objectives for each week so the children do not miss out on too much learning. If you need any support while at home, please contact your child's teacher or call school.

CAFOD and World Mental Health Day

Next Friday, 9th October, we will recognise two important causes in the following ways:

- CAFOD'S Harvest Day
<https://cafod.org.uk/>
- World Mental Health Day
<https://youngminds.org.uk/get-involved/how-to-fundraise/helloyellow/>

This year, rather than bring food items in for the harvest, we are asking if all children can bring in a donation (£1-£2) and wear something yellow with their uniform. We will then split the donations between both charities- CAFOD and Young Minds. Please follow the links above to find out more about both causes and how you can get more involved as a family.

Letter from governors

Please do read the letter from Mr D Oprey , our Chair of Governors on the next page.

Have a lovely weekend and stay safe

Kind regards,

Mrs Forrest.

At St John Fisher we shine!

Thursday, 1st October

Dear Parents,

The last six months have without doubt presented us all with some very difficult times and we have all had our own challenges to face. I'm sure we all hoped that by now, things would be returning to normal but it seems that our lives will be disrupted for some time.

At school, our staff have committed above and beyond to ensure that all of our children can continue their learning as much as it at all possible. We are so proud of them and all owe them a great debt of thanks.

The Board of Governors also recognise the massive contribution you as parents and guardians have made and how you have had to adapt to different ways of schooling your children alongside managing home, family and work life. We want to say thank you and well done to you all. Our children will continue to flourish and shine and together we will adapt to any new challenges.

Once again thank you, and stay safe.

*God placed them in space to shine on the earth,
Gen 1:17*

Kind regards,

Mr D Oprey

Chair of Governors
