Friday, 20th November 2020

Good afternoon,

Remote Learning

If your child has to remain at home because they are awaiting a test result or have had contact with a positive case, please ensure they access the home learning timetable for their year group on the website. The activities are matched to their year group's objectives for each week so the children do not miss out on too much learning. If you need any support while at home, please contact your child's teacher or call school. <http://stjohnfisherprimary.co.uk>

Teachers will provide live and recorded lessons if a whole class is isolating. They will contact you directly via dojo with more information.

Attendance

During this period, we have a number of children isolating for a number of reasons; some because of classes being advised to stay at home and some because individuals are awaiting test results. We give these children a different register code which shows that they are not in school, but their absence doesn't affect the class totals. I am delighted to say that our overall attendance is very positive and that all 'green' classes are entitled to a silver star for their team attendance efforts.

This week:	Attendance %	Graded
Nursery	98.6%	Green
Reception	99.2%	Green
Year 1	98.4%	Green
Year 2	97.8%	Green
Year 3	94.4%	Red
Year 4	99.6%	Green
Year 5	98.7%	Green
Year 6	93%	Red
Whole School	97.6%	Green

Thank you to all parents and carers who have supported your children coming into school. We know that every day counts in school and our children have already missed so much. We appreciate your commitment to their education.

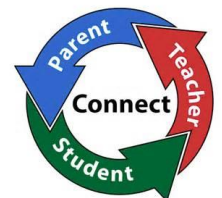

Parent/ Carer Meetings

We will be holding our Parent meetings on Wednesday, 2nd December via Zoom.

- From Monday next week, appointments can be made in the usual way via Parent App
- Teachers will send you a link to their meeting and you should log in at your chosen time
- Teachers will enable the waiting room to ensure confidentiality and will admit you once the previous parent/ carer has left the meeting
- If you do not wish to use Zoom for the meeting, teachers will telephone you after school on another evening.

As Nursery and Reception are currently isolating, Miss Mould and Mrs Mackey will contact parents/ carers in early years to arrange meetings over the course of next week.

These are new arrangements and procedures for all of us and so I'm sure there will be snags while we work it all out. Thank you in advance for your support!

At St John Fisher we shine!

Flu Immunisations

Due to classes isolating, some children did not receive their flu immunisation last month. The Health team will be in school next Wednesday, 25th November to immunise the children who we already have signed forms for. If your child did not receive an immunisation earlier this year but you would now like them to, please contact the school office who will provide you with a form to sign. If you have not returned a signed form, the team will not immunise your child.

Christmas Crafts

As we are unable to invite you all into school for our usual Christmas festivities, we are thinking of new ways to share the magic of a school Christmas time with you all! Our Family Learning have also had to adapt with the times. We know that lots of you like to participate in our Christmas craft sessions so the team have put together a Christmas Craft pack for you to do with your child/ children at home.

To request your pack, all you need to do is contact AnnMaria Miller directly on the details below. You will complete the activities with your child/ children at home.

If you are interested in taking part, please call: 07825 117 500 or email

annmaria.miller@knowsley.gov.uk
