Friday, 8th January 2021

Good afternoon,

2021 certainly started with a bang didn't it! I was not expecting schools to be included in any new lockdown restrictions so the announcement took everyone by surprise.

SJF Staff

I must say a huge 'Thank you' to every member of our school staff who have worked tirelessly since the announcement to make the transition as smooth as possible.

- The teaching and teaching assistants have been amazing at quickly adapting their lessons and practice so that our children can be taught in class and at home at the same time.
- Our office staff and Mrs Fillingham were efficient and professional in answering the queries, emails and paperwork we received so that we could organise provision for our vulnerable and key worker children.
- Lunchtime staff, cleaners and Mr Cunningham have been so flexible and proactive in solving issues and ensuring that we were ready to open and ready for our children to return.
- Finally, I must give a special mention to Mr Brooks who came into school straight after the announcement from the Prime minister so that we could get to work straight away and plan for a new kind of lockdown provision.

I always feel very lucky to work in St John Fisher with such wonderful colleagues, but this past week has made me realise, more than ever, just how much they shine.

Remote Learning

We have timetables ready online for next week and we expect all children at home to log into the live sessions to ensure they do not miss any more learning. If you are having any issues with technology, please call school straight away. We have a small number of ipads which we can loan and can provide support for families with internet issues. We will do everything we can to support you and to ensure our children's learning can continue whether they are in school or at home

Star's 1st Birthday!

Next week on the 14th January, Star will have her first birthday! As a way of celebrating, I would like to invite the children to create something special for her. It might be a piece of artwork, a poem, a story or anything else you can think of. All entries should be brought into school by Tuesday next week and we will choose at least one winner from each class to receive a prize. The best pieces will also be framed or displayed in school so that everyone who visits (when we're allowed to have visitors again!) can see just how special our School Dog is.

After School Club Changes

Due to the greater restrictions being placed on schools, we will be closing our After-School Club at 4pm until the end of the lockdown period. When schools are once again welcoming all children back, we will return to a 4.30pm finish.

Have a lovely weekend,

Mrs Forrest

Headteacher

At St John Fisher we shine!

2019-2022
