Friday, 23rd April 2021

Good afternoon everybody,

This is a busy newsletter with lots of opportunities for you at home to get involved in things with school- here goes!

Unicef Rights of the Child	Learning Power focus
<p style="text-align: center;">Rights of the Child Article 29 (goals of education)</p> <p>Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment</p>	<p><u>Questioning and Reasoning</u></p> <ul style="list-style-type: none"> • Ask questions of yourself and others • Make links with other learning- use what you already know • Record your thoughts • Consider different points of view • Dive beneath the surface to see more and get to the truth

Instagram

We now have an Instagram school account to showcase the wonderful things that go on in our school. Please do follow us for regular updates from each phase of the school @sjfsocialmedia We'd love to reach 100 followers by the end of the weekend so recommend our account (and our school) to your friends and family!

Our Diverse School Community

Our school community is made up of people who have come from all over the world but we don't always realise it. So we want you to help us! If you or your family were originally from a different country, we'd love you to tell us all about it by answering the following questions:

- Where do you or your family originally come from?
- How did you come to live in or around Knowsley Village?
- What is the best thing about your country of origin or your culture?
- Tell us something we mightn't know about your county or culture!

Please either fill in this google form <https://forms.gle/uhMfGYkVS12Ge8AL9> or send a dojo message to your child's class teacher. We're looking forward to hearing from you!

Sunflowers

A few years ago, our Reception children looked after some sunflower seeds at home and then brought them back into school to see whose flower grew the tallest. As well as being a great competition, it made our school grounds look beautiful! Next week, I'm inviting children who would like to grow a sunflower to bring £1 into school, plant their seed and take it home. The money we raise from this will go towards CAFOD.

Notices:

- Please make sure you return any class photo orders by Monday, 26th April
- Don't forget to design your 'Royal Mail Heroes Stamp'. Leaflets were sent home this week
- Somebody left a bag of rubbish on Shop Road earlier this week as they dropped their child off in the morning. Please respect our community and leave your rubbish in a bin- our caretaker had to collect it and tidy up after this person.

Kind regards,
Mrs Forrest

At St John Fisher we shine!
