Tuesday, 20 July 2021

Good afternoon everyone,

As we come to the end of another year, it's a good time to reflect on all we have achieved. Despite the obvious challenges the past two years have brought, our school has continued to move forwards in its aim for our whole school community to achieve their potential and shine.

I watched Y6 in their leaver's service today and I felt so proud of the young people they have grown into; they were a little nervous of course at leaving primary school for secondary but confident, excited and- most importantly- ready for their next steps. Some of the children spoke about their memories of St John Fisher and it struck me that, as much as they learn and make progress academically, it's the extra experiences, days out, guidance and friendships which they remember and help them to grow and develop confidence and build self-esteem.

As well as our Y6 class, there are other children who are moving onto new schools as well as Mrs Conroy who is leaving today to start a new adventure and career. We wish them all well and I know they will continue to shine wherever they all are.

Finally, thank you to you, parents, carers and wider family networks for everything you do to support your children; as the saying goes, it takes a village to raise a child and I can't think a better one to be part of!

Have a lovely summer and we'll see you very soon,

Mrs Forrest
