Well done children, you have shown how you **SHINE** this week!

Notification of change of hours for Academic Year 2023—2024

Please see information regarding changes to the school day timings which will start in September 2023.

In England, local authority maintained schools must open for at least 380 sessions (190 days) during a school year. The Government expects that, where not already doing so, state-funded mainstream schools should deliver a school week of at least 32.5 hours by September 2023.

In order for us to meet this requirement, all school access gates will open at 8:40 and close promptly at 8:45. Children will walk straight into class and registration will take place at 8:45. Wake up and shake up will take place in classes. Children will be marked late if they arrive in school after 8:45.

The school day will be as follows.

Nursery and Reception— 8:40am to 15:05.

Year 1 to Year 6 children— 8:40—15:15.

Attendance

Our attendance target for each class in school is 97%+ each week.

Our attendance has dipped significantly.

Let's aim for 100% attendance for the last week!

Please make every effort to get your child into school

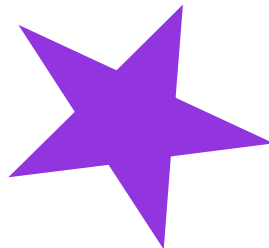

You have to be in to win!

School Prayer of the week

Prayer to End a School Year

God of wisdom,
we thank you
for all the gifts you have given us
throughout this school year.
We praise you for giving us life,
for saving us in Christ,
and for choosing us to be your people.

As we come to the end of this school year,
we voice our gratitude
for the good things you have done in us,
and we praise you for all who have shared
in the work of this school.

We ask you to bless them in your love
and give them refreshment and peace.
We praise you, God,
through Jesus Christ, our Lord,
who lives and reigns forever and ever.
Amen.

Whole School Transition

This week all children in our school community have moved to their new class in preparation for the next academic year. The children had lots of fun getting to know the staff and learning about class expectations and routines.

Challenge Partner Review

On 3rd and 4th July, we had a Challenge Partner review in school. A team made up of a Challenge Partner lead and senior leader from another school completed the review. The team completed learning walks to observe lessons, book looks, interviews with staff and children and an assessment of our processes and policies. We had an extremely positive review and once the report has been received, we will be able to share highlight from it. We also share what we will be focussing on as areas to develop during the next academic year.
