Celebrate- How we act as Christians

We celebrate God's beautiful world. We enter God's family, the Church, through Baptism. Holy Water is used in Baptism and then each time we enter Church to remind us of our Baptism. When we pray we are drawn in closer to God.

Believe- What do Christians believe?

God is love.
God made each one of us and loves each one of us as a unique person.
God made a wonderful world and what God creates is good.
God loves us and we are part of a family.
God made the earth and sky. God made people all over the world, animals, plants, the air, the ground and water.
God tells us we must take good care of them. It is an important job.

Live- Catholic Social Teaching

Care and love for self, family, others and God's world.
God made each of us, so each one of us is very special. We must treat others in a caring way because God made them too.

Stewardship Prayer

Loving God and Father of all,
 Thank you for the gift of this wonderful world.
 Help us to notice each day the beauty of your creation
 and to care for all of your animals, insects,
 fish, birds and plants.
 Encourage us to work
 with our sisters and brothers everywhere,
 so that together we can protect
 the world you made for us -
 the home of your children here.
 We make this prayer through Christ, our Lord.
 Amen.
