

Year 6 Class Teacher

Welcome

Hello, my name is Mrs Monaghan and I am going to be one of your Year 6 teachers. I am really looking forward to leading you through your final year of primary education. One of our aims together is to create a strong and supportive team - and I am excited to see how much we can achieve together.

All About Me

I have been a teacher for many years now even though I previously worked in Advertising and Public Relations. Year 6 is an enjoyable year to teach as it always brings fresh challenges and lots of humour! I have many interests including art, gardening, reading and history. My favourite thing to do to relax is swim (and eat chocolate). Although I am originally from London, I am very settled here in Liverpool with my husband and daughter.

Year 6 Class Teacher

Welcome

Hi, my name is Mrs Whitehead and I am one of your new Year 6 teachers. Although I had the opportunity to teach you for a short time in Year 5, I am really looking forward to getting to know you better and support you in your final year at St John Fisher. A wonderful year lies ahead for us!

All About Me

I have been a teacher for 14 years now and have taught in many year groups but really enjoy teaching in Year 6! I am also the Deputy Head at SJF. My own Year 4 teacher inspired me to be a teacher and I can't imagine doing anything else. I particularly enjoy teaching English & Maths as well as History as it really interests me. I live in Liverpool with my family. I have two daughters; one who is 9 and another who is 2.
