Worship Warriors

This term, our Worship Warriors have started the next phase of their journey by planning short scripture lessons and sharing the Wednesday Word with our younger children. They have taken on their roles with success and determination and are living their school life through out mission.

P.E.

"A high-quality physical education curriculum inspires all pupils to succeed and excel in competitive sport and other physically-demanding activities." National Curriculum.

Competitive Sport

This year we have had a big focus on striving to compete in competitions across Knowsley, we have had opportunity to compete in Football, Netball, Gymnastics, Swimming, Kinball, Learning and Discovery and Cross Country.

All children involved in these competitions have represented the school by using all of our Learning Powers to help them reach their full potential and SHINE. They have also embodied our school Mission, to be 'children of the light'

Curriculum

Throughout this school year, we have been working on our PE curriculum. Throughout the Spring term, we have been focusing on strands that not only keep children active outdoors but provide physical challenge for everyone.

So far, the children have completed units on Dance, Fundamentals, Net and Ball Games, Gymnastics, Tennis, and Tag Rugby. We have chosen these areas as they provide a range of different levels of sporting ability, challenge and knowledge. They also allow children to develop their skills through the different strands of the PE curriculum and compete against themselves and others to improve in all aspects of P.E.

We strive to continue our success through competitions and through the development of our PE curriculum. We look forward to sharing it with you throughout the rest of the year!

Celebrating out of school achievements

Each Friday in our celebration assembly, our children have the opportunity to share their achievements from out of school with our whole school community. This could be a medal, trophy or certificate and can be for any activity.

In addition to this, you can send photographs into school for us to share on our sports or leadership blog. Please email photographs of them completing activities, with their awards or of any news they want to share. The photograph email is
