Learning Power of the Week: Questioning & reasoning

- -Ask questions of yourself and others
- -Make links with other learning—use what you already know
- Consider different points of view
- Dive beneath the surface to see more and get the truth

Question everything

A wise man can learn more from a foolish question than a fool can learn from a wise answer

World Book Day - 7th March 2024

Children are invited to come into school dressed as a character from a book or as an inspirational leader to match our theme, "Today a reader, tomorrow a leader." There is a separate letter explaining our plans for this day which will be sent out soon.

Red Nose Day-15th March 2024

We will be raising money for Comic Relief and asking for a small donation of a minimum of 50p per child. Children can come into school wearing a red accessory, wearing a Comic Relief Red Nose/head piece or have a red nose face painted on. This will be worn with their school uniform.

More dates to follow after half term!

Parking

We have once again received complaints from our neighbours and concerned parents regarding families parking over driveways and driving without care in the roads surrounding the school. Please be respectful of our school community and take care for the safety of our children, families and residents of Knowsley Village.

Car Park

CAR PARK GATE

Over the last couple of weeks, it has been reported by families and staff that the car park gate is being opened without permission.

Please do not open the gate at any time during restricted times. If family members collect your child from school, please ensure that they are aware of the time restrictions on the car

Attendance

During the first week back after half term, the attendance team will be meeting with Alicia Clarke, our Statutory School Attendance Officer for our attendance strategy meeting. Our whole school attendance has dipped this last half term due to the many illnesses and bugs that have been going around. Our whole school target is 97% and we are currently at 96%. It would be fantastic if we could get back to at least 97% before the Easter holidays.

Each week, classes receive stars when whole class attendance is 97% and above. The class with the most stars at the end of each half term gets a special treat of their choice.

It is time to ...

Show up, to glow up and SHINE!
