

# Welcome to nursery

## Wednesday 10<sup>th</sup> September 2025

## Our Mission

**“Believe in the light so that you will be children of the light”**

John 12:36

A **Child** of the Light; A **School** in the Light;  
A **Community** in the Light

*Your support is vital to ensure we are a team and  
help our children to SHINE!*

# Our Vision

At St John Fisher, we strive to create a school community where children and adults achieve their full potential and **SHINE!** We will achieve this through *engagement*, *high expectations* and by treating all with *respect* and *dignity*.

# P.E

## **Nursery: Wednesday**

Nursery children do not require a school PE kit, as their everyday school uniform is already designed to support active learning. Children should continue to come to school each day in their normal uniform.

Black or navy blue trainers only

# Homework

Our updated Homework Policy has taken into consideration the views of parents/carers and children, based on the responses to the Homework Surveys completed in the Summer Term.

# Homework

Set on Friday and returned Wednesday

|           | Reading   | Maths               | Other  |
|-----------|---|---------------------|--|
| Nursery   | Reading Challenge books to be sent home throughout the year |                     | Projects throughout the year linked to learning in school E.g. Autumn Walk |
| Reception | Small reading record sent home weekly                       | Tasks set on Seesaw |  |

We encourage children to 'Read for Pleasure' throughout the week.

# Reading Challenge

The children will pick a book from their year group challenge based either in the library or their classroom.

They do not have to choose one of these books every visit to the library and many will also have their levelled reading scheme books to take home too.

Share together at home. Discuss new words and ask your child questions about the text.

We hope you enjoy this special time together.

## HOW IT WORKS

**We are aiming for 10 titles to be read from now until the end of the year.**

Once they have completed the book, they have an option to choose a fun activity to demonstrate their new understanding. Their teacher will have these available in their classroom.

This optional activity can be returned with the book.

# Enrichment

We aim to offer an enrichment experience to each class termly.

Further information will follow once trips and visitors bookings are confirmed.
