### Easter Activities/Celebrations—Details to follow

# No Outsiders

## Nursery

We read the book Mommy, Mama and me. Afterwards the children explored pictures of people and discussed who looks like members of their own families. The children then drew pictures of their families and shared them with the class. We talked about how all families look different!

## Reception

Theme: All families are different.

Learning Objective: To celebrate my family.

Reception children read 'Mommy, Mama and Me' and learned that all families are different and special. They talked about their families and drew a picture of someone they know loves them.

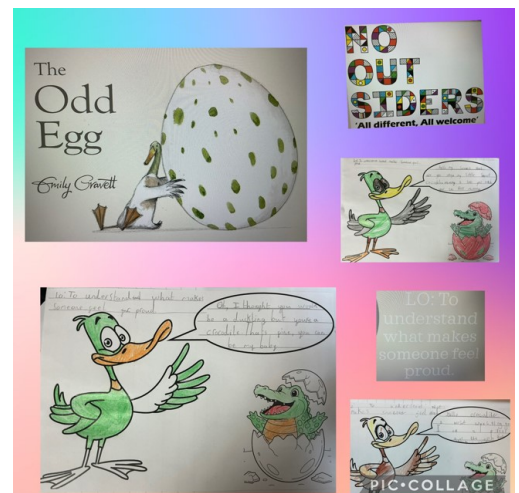

## Year 1

"My Grandpa is Amazing" by Nick Butterworth focuses on celebrating differences, particularly age and family, to foster a sense of belonging.

## Year 2

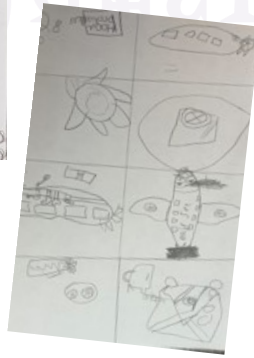

Text: The Odd Egg- Emily Gravett Learning Intention: To understand adoption Success Criteria: I know what adoption is / I know there are different families / I know some children don't look like their families

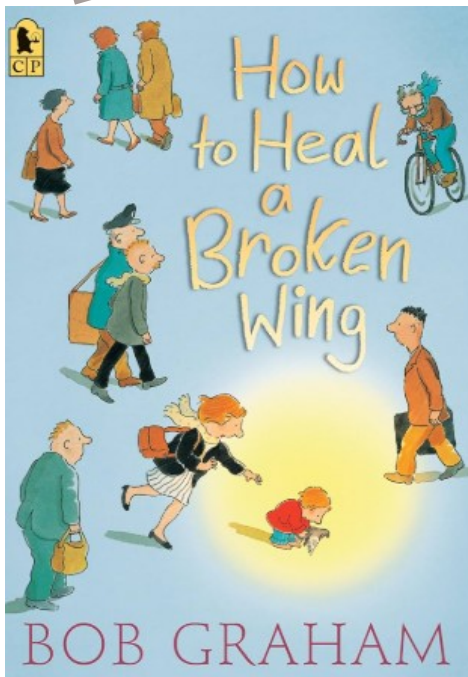

# No Outsiders

Year 4

We talked about language barriers and how we can communicate without words, the children drew diagrams on how to fix an airplane without speaking to one another, using hand signals, drawings and arrows

Year 5

Text: How to heal a broken wing- Bob Graham

Learning Intention: To choose to help

Success Criteria: I know people have different life experience to me / I can empathise with others / I know I am responsible for the choices I make

Year 6

Theme: Prejudice and Racism

Learning Objective: To challenge the causes of racism.

Year 6 read The Island by Armin Greder. When the people of the Island discover a man and a tattered raft on their beach, they are reluctant to take him in. He doesn't look like them. But they cannot send him back to the sea where he will surely perish. Instead, they put him aside but even that doesn't solve their problem. The children discussed how the story portrayed racism and the impact of this on the townspeople. They retold the story in their own words highlighting the key themes.
