Upcoming Dates and Events

NSPCC Number Day - 3rd January 2026

We will be joining schools and nurseries across the UK on Friday 3 February 2026 for the NSPCC mega maths fundraising day.

Some families have asked if children can come in wearing t-shirts they have decorated. As a result we are allowing children to do this, however please do not feel that you have to go out and buy anything for this day. Children can come in with an accessory or anything to do with a number.

Possible ideas

Football shirt or t-shirt with a number on—this must be worn with the school P.E. tracksuit.

Use face paints to write numbers on face and arms.

Write numbers on old t-shirts/jumpers

Make a fun number hat/hairband.

Valentines Danceathon—13th February 2026

Children are invited to come into school wearing a red accessory or something with hearts on. This should be worn with school P.E. kit. On the lead up to this date, there will be sales going on in school to raise money for school fund.

At St John Fisher Catholic Primary School, we love taking part in various initiatives and special days throughout the year to raise awareness and support important charities and causes. We want to reassure all families that participation in these events is entirely voluntary and meant to be fun for everyone. There is no expectation for children or families to take part in every activity, nor is there any obligation to make donations, sponsorships, or purchases. These contributions help support our school fund and charitable causes, but please be assured that choosing not to donate will never prevent any child from joining in dress-up days or other activities.

Thank you for your ongoing support and understanding as we work together to make these events enjoyable and meaningful for all.
